

Middle School Summer Camp!

Journey summer camp 2017 was awesome at Green Valley Lake this year! Calvary South Bay hosted and it was a FULL camp – approximately 500 students! Lots of churches in the greater Southern California region attended! Among the great things that happened there was the opportunity we had to pray with a couple of students who said it was the first time they had ever experienced God's power in that way. We're happy to say that the transformative work that took place in

those students' hearts still seems to be going strong two months later.

Here are some of our favorite photos of that weekend:

Student Testimony for Journey Camp

Skylar Alves (8th grader) writes: “The first day of camp I didn't know what to expect, I'd never been to any Calvary nexus camps. I was scared, and alone, and I felt as if though God had abandoned me, even as I was stepping into a place where all we did was talk about, learn about, and worship him. But then we had our first service. Right then and there I realized that I wasn't alone, God had been there all along, I was just too stubborn to see it! The pastor truly opened my eyes, and I went from silently screaming at God in my head to singing my heart out during the worship songs. That day my life status changed from an insecure, world-attached teenager to a confident child in Christ.”

High School Summer Camp!

2017 Haven summer camp at Forest Home in San Bernardino mountains was awesome! In partnering with 2 other churches we were able to gain a larger perspective of the youth ministry Church body. Small group discussions brought unity to our group and built lasting friendships. We can't wait for winter camp!

Bible Clubs at Local Schools!

Answers Bible Club at Adolfo Camarillo HS

God is growing the bible clubs on campus during lunch! At Las Colinas Middle School, we saw over 100 students attend! Adolfo Camarillo High School has a strong group of 50+ who ask very good and challenging questions! Praise God we are able to go into the schools and reach unchurched students!

At Las Colinas Middle School

Our Excellent Intern!

From the bottom of our hearts: HUGE thank you Danny Hernandez (high school senior, pictured on right) for interning for our student ministries during this summer! It has been an absolute pleasure to work with such a servant-hearted young man, who loves to learn and has grown in humility as he served. Danny has brought hard work and joyful laughter to our team, and we are very excited to see more of how God will grow and use him.

Upcoming Fall & Winter Events!

Date	Event
10.30.17	Journey Fall Party
11.17.17	Beach Bonfire / Worship Night
11.22.17	Afternoon Movie
12.2.17	Christmas Bonfire / Worship Night
12.22.17	Journey Night Out

Date	Event
11.4.17	Bring a Friend to Disneyland
12.21.17	Haven Christmas Party

Student Ministry Staff Highlights

- Pastor Vince and his bride, Darcie, were married in September!
- Pastor David, and his wife, Erika, welcomed baby Luca into the world in August!

New Book Study in Youth Group

We just concluded our worship series, which we ended with a Night of Worship. We are starting a new book study through **Colossians**. This book looks at the person of Jesus Christ. Who He is as the supreme source of hope and salvation. Causing us to answer “what are you putting your hope in?” We are so excited to dive deeper into this book together! Join us on Wednesday nights for Middle School, and Thursday nights for High School.
