

JESUS CAME TO SERVE

BREAKING THE ICE

Pastor Bruce opened by talking about craving French fries from McDonald's. What fast-food chain or dine-in restaurant has the best French fries? What makes them the best?

THE MAIN IDEA

Greatness in this world is usually associated with people who do great deeds and gain great power and prominence. Greatness in God's kingdom is quite different. It is not a matter of human power or prominence but God's recognition and approval, and is open to all. Thus, every Christian should aspire to greatness in God's kingdom. Today, we will discover how to be great in God's eyes as we consider lessons on humility, unity, and purity.
