

JESUS CAME TO SERVE

BREAKING THE ICE

Pastor Bruce is sharing some ideas to know the bible better. One of the ideas he suggest is to commit spicutre to memory. What is something that you've committed to memory that is pointless or adds no vaule to life by having it memorize?

THE MAIN IDEA

Jesus has commissioned His followers to proclaim the message of His kingdom and His gospel throughout the world to all peoples. We are to share Jesus with others (those who know Him and those who don't). We have been called live on mission, and make disciples who make disciples. To fulfill the Great Commission we need to know Him and make Him known.

DISCUSSION QUESTIONS

- What have you discovered about Jesus and God by reading the Bible?
- What tips would you give to a friend who wanted to start reading the Bible but doesn't know where to start?
- What does it mean to apply the word to your life?
- How can we practically apply his word to our lives?
- Share an experience (either positive or negative) where you shared Jesus. What happened, what did you learn?

PRAYER & PRAISE

- Praise God for offering us new life with Him!
- Pray for God's boldness, words, and open doors to share about him.
- Pray that God would give you confidence to honor Him.
- Pray for opportunities to share the gospel with people where you live, work, study, and play.

GROWING IN LOVE FOR NEIGHBOR

- Our Mission: We are a movement of Jesus followers devoted to loving God and loving neighbor.
- Neighboring Idea: Find ways to serve your family at home, your neighbors in your neighborhood, your friends at school, or people you work with. Talk about a goal for the week to serve others and discuss at the end of the week how it went.
 - How can you show God's love to the people in your family?
 - How can you show God's love to the people outside your family?
