

HOW TO REACH YOUR CITY

BREAKING THE ICE

In main service downstairs we are talking about "Reaching a City for Christ" and how we are called to love God, love our neighbors and to make disciples for Christ. As we consider reaching our city, what is your favorite part of Camarillo (park, hike, street, etc) ?

THE MAIN IDEA

All of God's commands can be distilled to their essence: to be followers of Jesus who love God supremely, love neighbors like self, and make disciples of Jesus who do likewise (The Great Commandments and Commission). Let's consider the Great Commission in the context of Paul's ministry at Corinth and discover how to reach a place for Jesus.

DISCUSSION QUESTIONS

- In what ways has Jesus influenced your life?
- Who are some Godly people that you look up to in your life? In way ways do you hope you to be like them?
- Who is considered to be your neighbor?
- How can you make disciples in your context (at school, church, and home)?
- How would you liked to be discipled/mentored in your current context?

PRAYER & PRAISE

- Praise God for offering us new life with Him!
- Pray for God's boldness, words, and open doors to share about him.
- Pray that God would give you confidence to honor Him.
- Pray for opportunities to share the gospel with people where you live, work, study, and play.

GROWING IN LOVE FOR NEIGHBOR

- Our Mission: We are a movement of Jesus followers devoted to loving God and loving neighbor.
- Neighboring Idea: Find ways to serve your family at home, your neighbors in your neighborhood, your friends at school, or people you work with. Talk about a goal for the week to serve others and discuss at the end of the week how it went.
 - How can you show God's love to the people in your family?
 - How can you show God's love to the people outside your family?
