

THE GOSPEL OF

MARK

JESUS CAME TO SERVE

INTRODUCTION:

Pastor Bruce mentioned several different ways that we can enjoy Bible study and learning (i.e. reading, listening, watching Bible teaching, etc.). What methods do you use and why?

THESIS:

Jesus has commissioned His followers to proclaim the message of His kingdom and His gospel throughout the world to all peoples (15, Mt. 28:18-20, Ac 1:8). We are to share Jesus with others (those who know Him and those who don't). We have been called to engage people, live on mission, and make disciples who make disciples. To fulfill the Great Commission we need to know Him and make Him known.

DISCUSSION QUESTIONS:

Q1. How has learning the Bible helped you to know Jesus?

Q2. What tips would you give to someone who wanted to learn and live (apply) God's truth (the Bible)?

Q3. Share an experience (either positive or negative) where you shared Jesus. What happened, what did you learn?

Q4. List family members, friends, and neighbors where you live, work, study and play that you would like to share Jesus with. Share with your group and pray for God's boldness, words, and open doors to share.

LOVE YOUR NEIGHBOR:

Discipling Idea:

Pray for God's boldness, words, and open doors to share Jesus with family, friends, and neighbors this week.

- How have you loved your neighbors inside the group this week?
- How have you loved your neighbors outside of your group this week?

PRAYER:

- Praise God for His words remain the same yesterday, today, and forever.
- Pray that we would have the discipline to not just read the Bible but to love, learn, and live it.
- Pray that we would be given the boldness to share Jesus to others regardless of the outcome.
- Pray that we would apply what we learn from the Bible and share it with others so they can also share to others.
