LIVE BY FAITH // CH. 1:1-17

BREAKING THE ICE:

Share a time when you had planned something down to the very last detail (a school project/ presentation, a family vacation, a birthday party, a sleepover, etc) and it totally blew up in your face.

THE MAIN IDEA:

With wickedness and evil all around us, it's easy to think that God isn't listening or in control. God is in perfect control, His plan is perfect, and He is worthy of our trust.

DISCUSSION QUESTIONS:

- What are some "evils" of this world that you have seen, or heard of?
- What should our reaction be to the evil that we see all around us?
- Why is hard to trust this statement: "God is always working"?
- In what ways have you seen that God's plans are better?
- What are some ways that Christians can strive to trust God's plan regularly?

GROWING IN LOVE FOR NEIGHBORS

Our Mission:

We are a movement of Jesus followers devoted to loving God and loving neighbor.

Neighboring Idea:

Find ways to serve your family at home, your neighbors in your neighborhood, your friends at school, or people you work with. Talk about a goal for the week to serve others and discuss at the end of the week how it went.

How can you show God's love to the people in your family?

How can you show God's love to the people outside your family?

PRAYER & PRAISE

Praise God for offering us new life with Him!

Pray for God's boldness, words, and open doors to share about him.

Pray for opportunities to share the gospel with people where you live, work, study, and play.
