THE GOSPEL PROJECT

Did you know we offer online curriculum you can access at home? We understand these times can be hard and coming to church physically can be challenging. Being able to access our curriculum online is a great resource to help you and your kids continue learning about Jesus and His love at home! It's also a great way to continue discipling your kids from your very own home!

Our online curriculum includes a fun time of worship, fun activity pages that introduce and reinforce the bible lesson, an age-appropriate bible lesson video, a discussion time, and a time of prayer. To access our free online curriculum:

1. Go to Calvarynexus.org
2. Find "ministries" in the toolbar at the top and click on it.
3. Go to Children
4. Then about halfway down you will see a title that says "children's resources"
5. Click on the appropriate curriculum level for your child(ren), i.e. elementary or pre-k/Kinder
6. You will be brought to the login page for Ministry Grid- to make an account it only asks for your name, email, and to create a password.
7. Once you are in you will have access to the video, worksheets, and other resources!

DISCIPLES MAKING DISCIPLES

Parents and families have the wonderful opportunity to lead their kiddos to Christ! We know being called to be the chief disciple can be a daunting thought. Not to worry! We understand! Our calling in Kids Ministry is to come alongside parents to better disciple their kiddos! Our vision in Kids Ministry is, "To equip families to effectively disciple their children. To teach them to love God and neighbors To live out the Gospel in their neighborhoods, saturating our city with Christ-centered families."

One of our biggest resources to help parents better disciple their kiddos is the opportunity to serve in Kids Ministry itself! Each Sunday during Kids Church, we go through the bible from Genesis to Revelation using an easy-to-follow curriculum, The Gospel Project, where we train and equip our volunteers to teach the Word of God effectively to kids. Volunteering in Kids Ministry, either as a teacher or assistant, gives our families the opportunity to see how simple it is to take the Word of God and teach it at home! We have many opportunities to serve our kiddos from nursery to grade 5! If you would like to learn more about discipling your child or getting involved in Kids Ministry, contact kids@calvarynexus.org!
