# MARK

## JESUS CAME TO SERVE

### INTRODUCTION:

Pastor Bruce explained that TV commercials have the power and influence us to want things. What TV commercial or billboard advertisement is most memorable to you? Explain why.

### THESIS:

God offers humanity Himself, and promises that anything that you sacrifice for Him will be replaced with something better in this life and the life to come. Trusting Jesus is the way to overcome pride and materialism and experience God's goodness.

### DISCUSSION QUESTIONS:

- Q1. What are some obstacles to bring the next generation to Jesus?
- Q2. How might you (or your NG) help bring the next generation to Jesus?
- Q3. How might material comfort be an obstacle to Jesus and His gospel?
- Q4. How might trusting Jesus produce greater generosity?

### LOVE YOUR NEIGHBOR:

Neighboring Idea:

**Consider opportunities to serve children in your community through your local church or school.**

- How have you loved your neighbors inside the group this week?
- How have you loved your neighbors outside of your group this week?

### PRAYER:

- Praise the name of Jesus for He is the way, the truth, and the life.
- Pray that we would always have a child-like faith on receiving His teachings, guidance, and directions.
- Pray that we would remain focused on our Heavenly reward rather than the riches of this world.
- Pray that we would have humility, peace, and contentment in God as we serve Him and our neighbors unconditionally.
