

OVERALL VISION

Creative Ministry exists to serve God and make disciples who love God and their neighbor through the use of creative arts and technology. We aim to magnify and enhance all elements of our worship gatherings through the combined efforts of Worship, Technology, and Media. We would love for you to join our team in our mission to advance God's Kingdom!

CREATIVE MINISTRY VISION

WORSHIP MINISTRY

The Worship Ministry is devoted to making disciples who worship God in Spirit and in truth by lifting up songs that are theologically rich, musically excellent, and biblically based. Our endeavor is to create times of worship that are conducive to prayer, praise, and contemplation while blending both modern and traditional worship practices. Spontaneity and preparedness are high values in our worship culture, and we strive to work together to give God the praise He deserves.

TECH MINISTRY

The Tech Ministry makes disciples by creating a worshipful space through lighting, video, projection, and sound design. We do this by amplifying the message and the praises of His people while providing a distraction free worship environment where the gospel is artistically communicated both in person and online. Whether operating a camera or mixing the worship team, every member of the Tech team cooperates with each other to magnify Christ and His gospel.

MEDIA MINISTRY

The Media Team exists to communicate our mission, vision and values at Calvary Nexus to our church and the world. Recording video, capturing photos, and engaging with our neighbors through social media are just some of the ways the Media Ministry is fulfilling the Great Commission and building up the body of Christ.
